Do not use on waxed wood floors.

Environments

- Residential
- Light Commercial

Additional Product Information

- Microfiber Cleaning Pad attaches with easy on-off velcro type attachment that stays in place when you need it.
- Available as mop kit that includes a sturdy pole, handle with spray trigger, cartridge bottle for cleaning solution, stable mop base and a commercial-quality microfiber mop cleaning pad.
- Replacement cleaning pad can be purchased separately.
- Cleaning solution NOT included.

Directions for Use

Spray Mop Kit Parts:

Minimal assembly required. See Instructions sheet for assembly directions.

- Mop Assembly
- Cleaner Cartridge Bottle
- Microfiber Cleaning Pad

To Use Assembled Spray Mop:

Pull trigger on handle (A) to release cleaner and wipe. Work in small sections, approximately 4 ft x 4 ft. Do not allow cleaner to dry on floor before wiping. When possible wipe in the direction with the grain of the floor. *Do not use on waxed wood floors.*

Care:

Machine wash mop pad after each use and allow it to air dry. Do not use fabric softener.

Remove mop pad after each use. Store mop upright with cartridge bottle inserted.
